Ontario Press Releases

Wed Oct 11 2023

[Associate Minister Flack to Hold a Press Conference](#)

Rob Flack, Associate Minister of Housing, to provide remarks and hold a media availability.

[Minister Piccini to Hold a Press Conference](#)

David Piccini, Minister of Labour, Immigration, Training and Skills Development, to provide remarks and hold a media availability.

[Ontario Expanding Mental Health Services in the West](#)

HAMILTON – The Ontario government is now offering more mental health services in every region of the province through the expanded Ontario Structured Psychotherapy (OSP) program. For the very first time, adults across the province who have depression, anxiety and anxiety-related concerns, can connect to free cognitive behavioural therapy and other related services. This program ensures that all Ontarians, including those in the west, can now have more convenient access to mental health care, closer to home.

[Ontario Expanding Mental Health Services in the Northwest](#)

THUNDER BAY – The Ontario government is now offering more mental health services in every region of the province through the expanded Ontario Structured Psychotherapy (OSP) program. For the very first time, adults across the province who have depression, anxiety and anxiety-related concerns, can connect to free cognitive behavioural therapy and other related services. This program ensures that all Ontarians, including those in the northwest, can now have more convenient access to mental health care, closer to home.

[Ontario Expanding Mental Health Services in the Northeast](#)

SUBDURY – The Ontario government is now offering more mental health services in every region of the province through the expanded Ontario Structured Psychotherapy (OSP) program. For the very first time, adults across the province who have depression, anxiety and anxiety-related concerns, can connect to free cognitive behavioural therapy and other related services. This program ensures that all Ontarians, including those in the northeast, can now have more convenient access to mental health care, closer to home.

[Ontario Expanding Mental Health Services in Central Ontario](#)

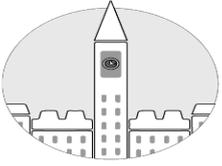

MISSISSAUGA – The Ontario government is now offering more mental health services in every region of the province through the expanded Ontario Structured Psychotherapy (OSP) program. For the very first time, adults across the province who have depression, anxiety and anxiety-related concerns, can connect to free cognitive behavioural therapy and other related services. This program ensures that all Ontarians, including those in Central Ontario, can now have more convenient access to mental health care, closer to home.

[Minister Cho to Hold a Press Conference](#)

Stan Cho, Minister of Long-Term Care, will provide remarks and hold a media availability.

[Associate Minister Williams to Hold a Press Conference](#)

Charmaine Williams, Associate Minister of Women's Social and Economic Opportunity, will provide remarks and hold a media availability.

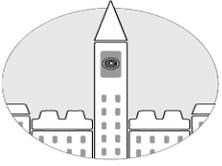

[Ontario Delivers 189 Additional Child Care Spaces in the District of Cochrane](#)

TIMMINS – The Ontario government is expanding licensed child care spaces in the District of Cochrane by investing \$7.9 million in 2023 to support the implementation of the Canada-wide Early Learning and Child Care (CWELCC) system. This support delivers a significant reduction of child care fees for families by 50 per cent on average, saving families an annual average of \$6,000 to \$10,000 per child.

[Ontario Strengthening Occupational Illness Protections](#)

The Ontario government is protecting and supporting workers by committing to create Canada's first-ever Occupational Exposure Registry to track harmful exposure levels, help diagnose workplace diseases faster, improve worker compensation, and reduce costs to the healthcare system. The registry will help address many of the 41 recommendations resulting from the province's first-ever review of the occupational illness landscape, released in a report today.

Alberta Press Releases

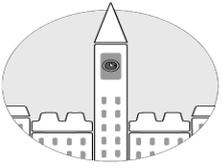

Wed Oct 11 2023

[Expanding affordable child care for Alberta families](#)

The governments of Alberta and Canada are helping create up to 22,500 affordable private child-care spaces where families need them most.

[World Mental Health Day: Minister Williams](#)

Minister of Mental Health and Addiction Dan Williams issued the following statement on World Mental Health Day:

British Columbia Press Releases

Wed Oct 11 2023

[Virtual information session focuses on Arrow Lakes Reservoir impacts](#)

Katrine Conroy, Minister Responsible for the Columbia River Treaty (CRT), will take part in a virtual information session to discuss the extremely low water levels in the Arrow Lakes Reservoir this year.

[Education campaign sparks fire safety awareness in B.C. communities](#)

A provincewide fire-safety campaign will help save lives and reduce fire-related injuries by educating people in British Columbia about proper smoke-alarm use and reducing fire risks in homes.

[Provincial environmental assessment certificate granted for Cariboo Gold](#)

A B.C. environmental assessment certificate has been issued to Osisko Development Corp. for the Cariboo Gold project in central British Columbia, following a joint decision by provincial ministers.

[New clinical trials will save lives, support B.C. innovation](#)

People in B.C. will soon benefit from increased access to cutting-edge, life-saving medical therapies with a new clinical trials unit (CTU) that will allow life sciences companies and researchers to test their discoveries within the province.

[Court rules updates will improve access to justice for more people](#)

More people with family law cases involving child support and parenting arrangements will be able to get information they need to get a resolution to their matters with the new amendments to the Supreme Court Family Rules and the Provincial Court Family Rules.

[Faster internet coming to two qathet communities](#)

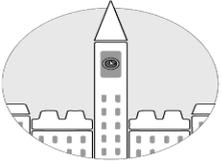

People in Lund and Skelhp (formerly Saltery Bay) on the Sunshine Coast will benefit from two new projects to build infrastructure providing reliable, high-speed internet access.

[New digital building permit tool will help create more homes faster](#)

More new homes for people will be approved faster as the Province works with partners to develop a new digital building permit tool.

[Transportation study to help guide development of Mission's waterfront](#)

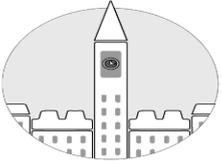

The Province is studying ways to support Mission and region in achieving more diverse housing, better transportation options and increased economic opportunities through the efficient movement of people and goods.

[Alberta Opposition moves ahead with public consultations on province quitting CPP](#)

EDMONTON – Alberta’s Opposition NDP is moving ahead with town – hall consultations next week on the government’s proposal to have the province quit the Canada Pension Plan.

[Opposition NDP to stage public consultations over Alberta pension plan proposal](#)

NDP Leader Rachel Notley says more than 23,000 Albertans have already responded to her party’s survey, with more than 90 per cent rejecting the idea of ditching the CPP. Premier Danielle Smith announced in September that virtual town hall...

[Opinion: Danielle Smith may be grandstanding, but Canada’s Clean Electricity Regulations do need a fix](#)

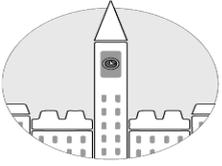

At a minimum, the regulations need to provide more flexibility to produce a workable policy pathway to shared net – zero goals – which would only complement the carbon – pricing program that Ottawa fought so hard to implement.

[The totally serious case for Alberta independence](#)

On Friday, the Supreme Court of Canada will rule on the constitutionality of the Impact Assessment Act that was triggered by a reference case filed by the Alberta government in 2020.
